14. Credit Site, State, Enrolled Site, and College Hours

- **Credit Site** refers to the site where the credit was earned / pursued. Click in the **Credit Site** field to get a listing of sites in Louisiana.
 - **For Dual Enrollment courses, credit site is the post secondary site where the dual enrolled credit is earned.** For most other courses, credit site is the high school where the credit is earned.
 - i. **Tip:** Universities and Community colleges start with site codes of "4". Technical colleges start with site codes of "2". You may find it easier to find the post secondary site by first highlighting the column header of **Site ID**, then place a "4" or "2" in the text box.
 - The easiest way to search the listing is to type some of the school's name in the **Search** box. A matching list will come up. Verify if the school is in the correct district, then select.
 - If the school is not in the pick list, such as a school from Texas, click the yellow "x" in the upper right, to close the school listing. You will find that the cursor is located in the **Course** field waiting for you to type in the name of the site.
 - i. Select the **State** when working with a school that is not on the school selection listing.

The screenshot shows a 'Save' dialog box with the following fields and values:

CP:	CE:	REP:	CR:	SS:	Honors:	DS:	Credit Site:	State:	Enrolled Site:	College Hours:

F:	1	1	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>		Tampa High School	FL FL		

Red boxes highlight the 'Credit Site' and 'State' headers, and red arrows point to their respective input fields. A 'Save' button is located at the bottom center.

- **Enrolled Site: For Dual Enrollment courses only:** Enter the **high school** that the student was enrolled in while taking the DE course. This is required if the course is **Dual Enrollment (Honors code of "D")**.

The screenshot shows a 'Save' dialog box with the following fields and values:

CP:	CE:	REP:	CR:	SS:	Honors:	DS:	Credit Site:	State:	Enrolled Site:	College Hours:

S2:		<input type="radio"/>	<input type="radio"/>	<input type="radio"/>						
F:		<input type="radio"/>	<input type="radio"/>	<input type="radio"/>						

A red box highlights the 'Enrolled Site' header. A 'Save' button is located at the bottom center.

15. When all information is entered, click the **SAVE** button. The course will move from the insert row at the top to the matching group listing of courses.

- Example: If the new course is a math class (GRP = "3"), then after clicking **Save**, the new math class will move from the insert row at top to the math grouping of classes further down.

Editing Transcript Records

- To change the **GRP** (Group), **Course**, **S1a**, **S1yr**, **S2a**, **S2yr**, **F1a**, **F1yr**, and **S-code** (State Course Code): Click in the desired cell, change the value, hit the ENTER key, and it is saved automatically.
- To change the **Cp** (Credit Pursued), **Ce** (Credit Earned), or **H** (Honors), or **Grade Source**: Click the blue-green "save" cell on the far right of the row. - Set the **Year**, **School**, and **Grade(s)**, and **As of Date** (usually current date).
- **Use Current Grades**: Select to use final grades from the current year are to be included in the cumulative gpa calculation. **NOTE**: Normally selected after the midterm of a year.
- **0.5 credit to 1 credit course....**: Select this option. If a single semester of a full credit course is taken, the final will be given with only a .5 credit to match.
- **Use Semester grades only**: Do not select.
- **Use Final grades only**: Normally selected. This will calculate cumulative gpa only on grades that are in the final category of a transcript.
- **Include P grade as failures**: Do not select this option. Will take a P grade and count is as 0 quality points just like an F grade. Normally, schools want a P to simply be left out of the calculation since it has no quality points.

Unique Column Descriptions

1. **English** through **Reg Elect**: These are transcript groups. Each transcript group has two sub categories:
 - **ERN**: A count of credits earned in previous years. If the user clicks on a count in the **ERN** cell, a transcript workstation screen will appear.
 - **CYR**: A count of credits being pursued during the current year. To see a student's grades for the current year, click the iGear icon by the student's name, then select **Grades**.
2. **Tot Earn** (Total Earned): Sum of the credits earned in the previous years.
3. **Tot Proj** (Total Projected): Sum of the credits from previous years, plus credits pursued from current year.
4. **Sped**: If the student is a special ed student, **SPED** will show here, otherwise special codes will show here.
5. **Tests**: This column identifies if the student has test results necessary for graduation requirements in Louisiana. "Yes" is displayed if the student has the test results to graduate. "No" is displayed if the student does not have the test results to graduate.
 - Need to manage test scores for students as a result of reviewing this report? Go to *Grades > Entry > [Test Score Editor](#)* to enter/edit student test scores.
6. **Endorsement**: Displays the Academic Endorsement code associated with the student. These are entered on the *Vocational* tab of Student Master.
