

Student Master Leave List Report 11-06-2014 06:15

The following Student Master records were changed on the date of this report and they have an exit date that may or may not be equal to the change date. This report will automatically run each day listing changed records with leave dates. Any leave code with a "D" will potentially charge your district with a 'drop'. This list is normally used by special ed and lunch personnel. A gain/loss register is available in your system. When inserting a leave code into the Student Master the user will be

requested to select a receiving school site from a state table built into your software. You may issue a district directive to always select a receiving site.
