

Incomplete Grades List 11-05-2014 18:15

Please review the list below of students that currently have unresolved "incomplete" grades. Normal district policy would be to resolve these before posting the grades for the next grading period and definitely prior to calculating semester final grades. An incomplete grade would normally be considered as an "F" in the semester final grades calculation unless your district policy states otherwise.

School	Teacher	Subject	Section	Student	Sidno	Term
027001	BERTRAND BEVERLY K	ENGLISH I	001013	LAUGHLIN ANGELA	4020016	P1
