

Useful New Features in JCampus 11/04/2015

1. **Columns Selector:** Some reports now have a "Column" selector. This allows user to define which data columns to view. Setting is stored with user preferences. Look for "Columns" field on the setup box of the following:
 - a. Student Master/ Lists: Alpha Recruiter and Testing List
 - b. Human Resources / Lists: Mail Room and Employee Listing
 - c. Health / Lists: Student List

Setup-09.24.2015

Year: 1516

Column:

Special Ed: All Sped Only Non Sped
 504: All 504 Only Non 504

2. **Print "Vocational Tab" information on a "College" Transcript:** Transcript related fields located on the Student Master / Vocational tab now show on the Transcript Workstation and can be printed on the "College" type transcript.
 - a. On Transcript Workstation, the user now sees two rows of information, of which fields from the Vocational tab of Student Master are visible.

636) SP

Credits Pursued : 26.25 Credits Earned : 19.0 Year : 1516 Grades : 12 Path : COB

Diploma Endorsements : IBC : Career Options : Concentration : 1304

- b. For printing this Vocational Block of information, on "Setup", set "TranscriptType" to "College". Next, click "Printing", then select "Print Vocational Block".

Concentration: 0101 Agricultural Production		
	Year Entered Grade 9	Cumulative/Attempted GPA
	2012	2.45833 / 4.00000

3. **Student GPA View on Transcript Workstation:** In the old version of JPams / Transcript Workstation, there was a GPA menu item that the user could click to see GPA related info on the student. This is now available in JCampus.

a. In a student's Transcript Workstation, click "Action", then "Student GPA".

4. **Special Ed Accommodations Import Adjusted for New State ID:** in Special Ed / Loaders / Accommodations Import, then user could take a file of accommodations from SER and import to JCampus. This data then shows on the Testing List, iGear / Student / Special Ed, and Special Ed button. The import has been adjusted to match on the new 10 digit state ID.
- a. Directions are in Help by going to: JCampus / Help / Special Ed / Loaders / Accommodations Import.
- i. http://wiki.edgear.net/wiki/w/index.php?title=Accommodations_Import

5. **Testing List – Print by Class Roster:** Especially for EOC, the user may need to print the report by roster of students in classes. The Student Master / Lists / Testing List can produce a listing by section roster by doing the following:
- a. On setup box, place a check for "Show Only Courses with Final Weight". This will limit the pick list of classes to just EOC courses.
- b. For "Order to List", select "Classroom Order".
- c. At the next screen, set for desired "Semester", then click "OK".

The 'Classroom Order' setup box contains the following fields:

- Teacher : []
- Class Period : []
- Semester : 1
- As Of Date : Nov 03 2015

d. A list of EOC Courses offered in the matching semester will appear. Click on the "Select All" box in the upper left, then click "OK".

List of Classes										
<input checked="" type="checkbox"/>	Sch	GD	PD	Room	Course	Teacher's Name	C1	C2	C3	C4
<input checked="" type="checkbox"/>	004	09	01	0G	US HISTORY		27	27		
<input checked="" type="checkbox"/>	004	09	02	14	US HISTORY (H)		27	27		

e. If the user needs to see detailed accommodations, click the last two options for "Show....Accommodations"

- Show Multi-Ethnic As M
- Only Show Exceptionality Code
- Only Show 504 Condition Code
- Show Sped Classroom Accommodations
- Show Sped Testing Accommodations
- Show Detailed Accommodations

- f. Use "Columns" to identify which data columns are desired. Since this is a report by section roster, be sure to leave class related columns in the report, such as Course Teacher, Section, Course Name, and Period.
- g. At the bottom of the setup box, set the "Print Break on" to "Section Order", then click "OK".
- h. The listing will display in section order, with students that have accommodations listed. Adjust the columns to fit the print out of the page.
- i. Click the "Print" button to create the report.

Column:

Print Break on:

6. **JCall Districts: "Communicate" button is now located on the Honor Roll and Perfect Attendance report.**
 - a. Grades / Lists / Honor Roll: Click "Communicate" to create a call, text, or email to these parents/students.
 - b. Attendance / Lists / Perfect Attendance Audit: Click "Communicate" to create a call, sms text, or email to these parents/students.
 - c. Additional: Student Event Messages now has option to "Email" as method of sending communication.

7. **User Management: Security Setting for Teacher to print detailed progress report for all classes a student is scheduled in.**
 - a. Go to System / User Management / Selected Teacher.
 - b. On JGradebook row, click "Program", then select "Detailed Progress Report". Set to either "RO" or "RW". This will create a sub row permission for JGradebook dealing with Detailed Progress Report.
 - c. On the row for Detailed Progress Report, click "Action", then select "All" to give teacher permission to print all assignment grades for all classes the student is scheduled to.

9. **Discipline: Audit / Referral History Analysis / Admin Actions** now has date/grade level setting: This is a report of Teachers who have posted "06 Referred to Office" discipline referrals. Helpful for large schools where discipline referrals from Teachers are handled by administrator by grade level.

- a. **Related:** ANS "As it Happens / Office Referral Notification" now has grade level of student in subject line. Helpful for large schools where discipline referrals are handled by administrator by grade level.

10. **Discipline: ANS reply back to Teacher on Discipline Referral:** This setting will auto create a reply back to the referring teacher on a discipline referral when action is saved on the referral by the administrator.

- a. Go to System / Communication Configuration / ANS / As it Happens / Discipline –Discipline Posting/ Modification Notification.
- b. Place a check for "Send to Referring Teacher".
- c. NOTE: Based on email address of Teacher located in Human Resources.
