End of Year Guide 2021 Elementary – Middle Schools

End of Year Guide - Elementary and Middle Schools 2021

Below is a checklist of common procedures associated with closing of a school year for elementary and middle schools.

- Organize the order and use of these programs to suit the way you do things. These are suggestions only.

1. ___ Principal Communicate Grades Deadline for Teachers

- Principal communicates deadline for all assignments to be in WebGradeBook via emails, websites, or other means.
- Place reminders by the sign in book, teacher's lounge, etc...

2. ___ Check for Missing Grades

Check for missing grading period grades by printing a plain paper Cumulative History label (kind of like a mini report card) or by using the Missing Grades Audit.

- Cumulative History Label:** Go to *Grades > Lists > Cumulative History Label*.
 - Set for Grade level. Skip Codes: Select P codes. Select Label: Avery 5163 and others as shown below.
 - A list of students will appear. Select the students, then click the Print button.
 - *After calculating final averages, come back to this report to review any missing final averages.
 - After grades are checked and finalized, use this report to print labels for the cumulative folders if done in your parish.

- Missing Grades Audit:** Go to *Grades > Entry > Missing Grades Audit*

- Use this report to check for missing grading period grades. This is important because a missing grading period average will result in no final being calculated for the course.
- This report is also good to check for missing final averages after calculating final grades. Set for "F1" to see students who did not get a final grade average for a class.

3. ___ Check for Incomplete Grades:

Use this report to check for incomplete assignment grades in the gradebook that need to be updated to remove the marking period "I" grades.

- Go to *Grades > Lists > Incomplete Grades Audit*.
- Check for "I" (incomplete) grades, which are the result of "i" grades given to assignments in the Gradebook.
- When the teacher updates the "i" assignment to a valid grade, then clicks "Save", the average is updated. This will result in an accurate calculation of the final average.

4. ___ Projected Final Averages

If at this time of the year, the school would like a report of projected final averages of students, either of the reports below can deliver this information.

- **By the Teacher:**
 - In Gradebook, open a section for current grading period.
 - Click **Reports / Grades / Term Grades Report / All Students Projected Final**.
 - A grade sheet with projected final grades will appear.

- **By the Office Staff Member**
 - Go to **Grades / Lists / Possible Failures**
 - Set as shown below:
