

## JCampus – Processing 4<sup>th</sup> Nine Weeks 2020-21 High School Office Edition

Below is a checklist of procedures associated with closing of a school year for high schools.

\*Many of the steps below are done twice. Once in early May for Seniors, then again in late May for Underclassmen.

### Early May

#### 1. Principal Communicates Grade Deadline for Teachers

Principal or District Coordinator communicates deadlines for all assignments to be in GradeBook via emails, websites, or other means. Place reminders by the sign in book, teacher's lounge, etc...

#### 2. Move Graduating Juniors to Senior Grade Level

- Usually done in late April or early May when school is pretty sure student will graduate.
- In the student's Student Master screen, enter a leave date and leave code of **"20 15 Exit grade for re-assignment to another grade."**
- While still on the student's Student Master record, click **Action**, then **Reenroll**. Click on the enrollment row with the exit code *"20 15 Exit grade for reassignment..."* (Should be the top row).
- Import the student as normal but update the grade to "12".
- *Be sure to use the same entry date as the exit date.*
- Select the entry code of *"GR C4 Re-entry for re-assignment to another grade"*.
- The student's schedule, grades, attendance, and discipline information will not be affected. Student will now be a 12th grader.

#### 3. Enter Final Averages for Virtual or Other "Off Campus" Courses

For virtual courses, or other types of courses where the student is given a final for a course typically taught away from school (ie, community college, technical college, university), enter the final average of the course.

- Go to *Grades > Entry > Post Grades Master (work with a class of students) OR Post Grades by Student (work with a single student)* in **"Progress Report"** mode.
  - **Post Grades Master:** Set for grade level, then *Progress Report Mode*. On the bottom, locate teacher/class. Enter grades in the F1 or F2 cell, then click the SAVE icon at top.
  - **Post Grades By Student:** Set for *Progress Report Mode*. Find the student, enter grade in the F1 or F2 cell, then click SAVE button.

- If the course is not in the Master Schedule, manually enter the final in **Transcript Workstation**.
  - Go to *Transcripts > Entry > Transcript Workstation*.

#### 4. Check for Missing Grades

Check for missing grading period grades by printing a plain paper **Cumulative History label** (kind of like a mini report card) and/or the **Missing Grades Audit**.

- **Cumulative History Label as “mini report cards”:** Go to *Grades > Lists > Cumulative History Label*.

- Set for Grade level.
- Skip Codes: Select P codes.
- Select Label: Avery 5163 and others as shown below.
- A list of students will appear. Select the students, then click the Print button.
- **\*After calculating final averages, come back to this report to review any missing final averages.**
- After grades are checked and finalized, use this report to print labels for the cumulative folders.

The screenshot shows the configuration form for the Cumulative History Label report. The fields are as follows:

- School: 010
- Grade: 12
- Homeroom:
- Team:
- Special Codes:
- Exclude Special Codes:
- Programs:
- Skip Codes: 59,40,56,55,34,11,03,47,4...

- Include SIS School
- Select Label: Avery 5163

- Select Display Credits: Use Report Card Setti...
- Show SSN on Labels
- Show Active Courses Only
- Display Rank
- Display SBLC Code
- Show Only Carnegie Credit Courses
- Order To List: Alpha Order
- OK button

- **Missing Grades Audit:** Go to *Grades > Entry > Missing Grades Audit*. Set for grade level and select all grading periods.
  - This report is also good to check for missing final averages after calculating final averages. (Set Marking Period to F1 or F2)

#### 5. Check for Incomplete Grades:

Use this report to check for incomplete assignment grades in the gradebook that need to be updated to remove the marking period “I” grades.

- Go to *Grades > Lists > Incomplete Grades Audit*.
- Check for “I” (incomplete) grades, which are the result of “I” grades given to assignments in the Gradebook.
- When the teacher updates the “I” assignment to a valid grade, then clicks “Save”, the average is updated. This will result in an accurate calculation of the final average.

## 6. Enter LEAP 2025 Scores (Ongoing)

Hand enter necessary EOC scores (especially if needed for a graduation decision)

- For a spring 4x4 course, the scores are entered in the E4 area of the teacher's gradebook.

Begin step 7 once all teachers have entered all grades in their Gradebooks  
(in accordance with your deadline).

## 7. Calculate Initial Semester/Final Averages

Run an initial calculation of final averages to review and check.

- Go to *Grades > Lists > Report Cards*. At the bottom of the screen, click the “**Mass Calc Sem/Final Grades**” button.
  - **\*Initially run for Seniors only.** You will run Underclassmen a little later in a second batch when grades are complete for them.

## 8. Check for Missing Final Averages

This is basically a repeat of step #4, but here we focus on the final averages in F1 or F2.

- Using either the Cumulative History Label, or the Missing Grades Audit from step #4, check that students have a final grade in courses that are needed.
- What do I do if there is a missing final?
  - Work with records or teachers to determine the missing marking period grade.
  - Go to **Post Grades by Student, Report Card Mode**, and manually enter the missing marking period grade and/or the missing Final.

## 9. Print Grade Sheets

Print grade sheets for the teacher to review and sign for accuracy. If needed, fixes and corrections are made.

- Go to *Grades > Lists > Grade Sheets*
  - For the first run, set for grade 12. Set for current date, then click **Ok**.
  - Run for grades 9-11 later when it is time.

- Select classes and **“Print”**.
- Give to teachers asking them to review, indicate any problems, and sign/date.
  - Save this copy for reference in case of problem.
- As a result of the feedback, if needed, update missing grades, resolve any possible issues.

## 10. Submit a Support Ticket to Data Management – Lock Grading Window

At this point, the principal submits a support ticket to Data Management with the title: (name of school) – CLOSE THE 4<sup>TH</sup> NINE WEEKS GRADING WINDOW.” Wait for an e-mail response from Data Management before proceeding to step 11

## 11. Repeat Mass Calculate Semester/Final Averages

- Due to updates to averages based on feedback from Teachers and Grade Sheets, a repeat of calculating semester / final averages is performed as in step #7 and a subsequent check for missing final averages as in step #8.
- Run on Seniors first, then Underclassmen later when ready.

## 12. Identify Students with High Absences for Possible Denial of Credit

The denial of credit is posted to the "Final" average and is noted with an asterisk (ie... 2F\*).

Classes with an "F" average are set to "hide" so that a denial is not posted to classes that are already failed due to academics.

- Go to *Attendance > Counts > Attendance by Course and History*. Set for date range, counts to search for, skip codes, and a posting of denial to F1 or F2. Setup is shown below. **\*NEW\*- Check "Post as manual grade."**
- When the listing of students comes up, review the results with the administration.
  - Click the select cell for students / courses to have a denial of credit posted.
  - Floating iGear is available to investigate students.
  - Click the **"Auto Fail"** button to post a fail average to the courses selected (ie... 2F\*).

### Need a report of these denials? Run the Non-Academic Failure Review.

- Go to *Grades > Lists > Non-Academic Failure Review* and set for **"Attendance Violations"**.
- Review for denials in the F1 or F2 column.

## 21. Post Diploma Endorsements (Current understanding is that type “C” or “D” are current)

In the *IGP* tab of Student Master, the user can enter the Diploma Endorsements of a Senior.

- Fastest way to do this:** Go to *Student Master > Loaders > Diploma Endorsement Fast Loader*.
- Set for grade 12, then check option for “Append”.
- Select students on the left, and the diploma endorsement on the right.

## 22. Post Exits for Certificate of Achievement

In Student Master, locate the student leaving with a Certificate of Achievement.

- In the **Leave Date** field, select **62 O6 E Certificate of Achievement** with the **Leave Date** set to the last day of school.
- Click **Save** to store the leave information.

## 23. Post Exits for Students Who Passed HighSet / GED, or Foreign Exchange Students returning to home country, or LAA1 Graduates

Posting these kinds of exits prevents dropouts against the school.

- In Student Master, locate the student exiting under one of these conditions.
- Click in the *Leave Date* field.
  - Set the *Leave Date* to the last day of school.
- Post a leave code of one of the following that qualify:
  - L4 10 E Transfer out of state or country (*use for exiting foreign exchange students with exit documentation*)

- 80 05 E GED Earned Only
- LG 04 E LAA1 Graduate (send option code 9)
- Click **Save** to store the leave information.

#### 24. Post Exits for Seniors Retained Due to Testing or IBCs, but Have Completed All Carnegie Units

These Seniors have taken all classes needed to graduate and do not need to be rolled over to next year.

- Find the student in Student Master.
- Check to make sure the student has a SBLC code of either:
  - **T Retained – Failed to Pass Exit Exam (Seniors).**
  - **12 Retained – Failed IBC Credential Exam**
- Click in the Leave Date cell:
- Post a Leave Date of the last day of school.
- Select a Leave Code of **22 17 E Finished all but GEE/EOC Completed Carnegie Rqmts not GEE/EOC.**
  - Don't worry about using the same exit code for Tests or IBC, the job is to exit the student and keep from rolling over to next year.
- Click **Save** to store the leave information.
- When you find out that these students have passed the LEAP 2025 or IBC Credential, consult with your district coordinator for proper year/date to reenter, then exit the student with a **61 04 E Graduation/Early Graduation** leave code.

#### 25. Submit a Support Ticket to Data Management – Grades Closeout EOY

This program copies the "current year" grades to the "transcript" data files.

At this point, the principal submits a support ticket to Data Management stating: (name of school) – Closeout EOY. Wait for an e-mail response from Data Management before proceeding to step 26.

\*\*\*\*\* After the **EOY Grades Closeout** has been run, turn off the option "Show Current Year Grades" on the **Transcript Workstation** \*\*\*\*\*

- If you see "double" transcript records on **Transcript Workstation**, this is a symptom of not turning off the "Show Current Year Grades" option.

#### 26. **(Optional)** Identify Students with Failing Final Grades

Use the **Grade Distribution Report** to obtain lists of students that have failed courses for the year.

- Go to *Grades > Count > Grade Distribution Report*
- Set the report to search for Final grades, then click on the count of "F" grades on the bottom row of the report.
- These lists are not only handy for determining promotion / retention, but also for new year scheduling request changes or summer school subject lists.

## 27. Post Exits for Graduating Seniors

\*Discuss with your district coordinator to see if this is a step done in your district.

**\*\*Don't do this too early. Do this step on or after the last day of school.**

This will post a leave code of "61 04 Graduation / Early Graduation" on each student selected that is graduating.

- Go to Student Master / Loaders / Leave Code Fast Loader
- On setup, configure for grade 12, Exclude SBLC Codes – set for all retained codes, and as of date is last day of school.

- Click the select box for each student that is graduating.
- **Important:** For any student not graduating, or for any student with a leave date, do not select these students.
- On the right-side listing of leave codes, select "61 04 Graduation / Early Graduation."
- The leave code columns by each student will be updated with the graduation leave code and date.
- **Made a mistake on a student?** Easiest way to fix is to go to the Student Master record of the student and fix the leave code information.

## 28. Dropping Students - End of Year (ongoing)

- Summer Graduates are typically dropped at the end of the current school year.
- In some districts, underclassmen exits and gains are done on the first day of the following school year.
