

End of Year Guide - Elementary and Middle Schools 1819

Below is a checklist of common procedures associated with closing of a school year for elementary and middle schools.

- Organize the order and use of these programs to suit the way you do things. These are suggestions only. Please consult with your District Coordinator for a combination of procedures/programs that work best for your district.

1. ___ Principal or District Coordinator Communicate Grades Deadline for Teachers

- Principal or District Coordinator communicates deadline for all assignments to be in WebGradeBook via emails, websites, or other means.
- Place reminders by the sign in book, teacher's lounge, etc...

2. ___ Check for Missing Grades

Check for missing grading period grades by printing a plain paper Cumulative History label (kind of like a mini report card) or by using the Missing Grades Audit.

- Cumulative History Label:** Go to *Grades > Lists > Cumulative History Label*.
 - Set for Grade level. Skip Codes: Select P codes. Select Label: Avery 5163 and others as shown below.
 - A list of students will appear. Select the students, then click the Print button.
 - *After calculating final averages, come back to this report to review any missing final averages.
 - After grades are checked and finalized, use this report to print labels for the cumulative folders if done in your parish.
- Missing Grades Audit:** Go to *Grades > Entry > Missing Grades Audit*
 - Use this report to check for missing grading period grades. This is important because a missing grading period average will result in no final being calculated for the course.
 - This report is also good to check for missing final averages after calculating final grades. Set for "F1" to see students who did not get a final grade average for a class.
