

Jefferson Parish Procedures - Entering Grad Templates for 8th Graders

- *For current 8th graders entering 9th grade:* middle school counselors should use the course request templates on JCampus and should only submit requests for core courses. This is because some high schools do not offer certain elective courses, such as ROTC. Schools can use the table below that shows to see which non-ASA high schools offer ROTC for incoming 9th graders:

High School	ROTC Offered
Bonnabel 010	No
East Jefferson 022	Yes
Ehret 023	No
Fisher 029	No
Grace King 051	No
Helen Cox 017	Yes
Higgins 045	No
Riverdale High 068	No
West Jefferson 080	Yes

- High school counselors will fill in the remaining course requests for students in March.
- IGPs (Individual Graduation Plan) as per Bulletin 741 January 2020 page 25. See below.

Chapter 9. Scheduling

§901. Scheduling

- A. The purpose of scheduling within available time frames and staff resources shall be to meet the educational needs of students.
- B. Prior to student scheduling each year, each middle, junior, or high school shall provide the parent/legal custodian with a listing of course offerings including the course choice catalog, the content of each course, and high school graduation requirements where appropriate.
 1. By the end of the eighth grade, each student shall begin to develop, with the input of his parent(s) or other legal custodians and school counselor, an individual graduation plan. Such a plan shall guide the next academic year's course work. For a student with an exceptionality, except a student identified as gifted or talented and who has no other exceptionality, the student's IEP team, if applicable, shall assist in developing the individual graduation plan.
 2. The individual graduation plan will assist the student in exploring educational and career opportunities and in making appropriate secondary and postsecondary education decisions as part of an overall postsecondary plan.
 3. By the end of the eighth grade each student's individual graduation plan or the student's IEP, if applicable, shall list the required core courses to be taken through the tenth grade and shall identify the courses taken in the first year of high school.
