# End of Year Guide - Elementary and Middle Schools 2021

Below is a checklist of common procedures associated with closing of a school year for elementary and middle schools.

- Organize the order and use of these programs to suit the way you do things. These are suggestions only. Please consult with your District Coordinator for a combination of procedures/programs that work best for your district.

## 1. \_\_\_ Principal or District Coordinator Communicate Grades Deadline for Teachers

- Principal or District Coordinator communicates deadline for all assignments to be in WebGradeBook via emails, websites, or other means.
- Place reminders by the sign in book, teacher's lounge, etc...

## 2. \_\_\_ Check for Missing Grades

Check for missing grading period grades by printing a plain paper Cumulative History label (kind of like a mini report card) or by using the Missing Grades Audit.

- Cumulative History Label:** Go to *Grades > Lists > Cumulative History Label*.
  - Set for Grade level. Skip Codes: Select P codes. Select Label: Avery 5163 and others as shown below.
  - A list of students will appear. Select the students, then click the Print button.
  - \*After calculating final averages, come back to this report to review any missing final averages.
  - After grades are checked and finalized, use this report to print labels for the cumulative folders if done in your parish.

- **Missing Grades Audit:** Go to *Grades > Entry > Missing Grades Audit*
  - Use this report to check for missing grading period grades. This is important because a missing grading period average will result in no final being calculated for the course.
  - This report is also good to check for missing final averages after calculating final grades. Set for "F1" to see students who did not get a final grade average for a class.

### 3. \_\_\_ **Check for Incomplete Grades:**

Use this report to check for incomplete assignment grades in the gradebook that need to be updated to remove the marking period "I" grades.

- Go to *Grades > Lists > Incomplete Grades Audit*.
- Check for "I" (incomplete) grades, which are the result of "i" grades given to assignments in the Gradebook.
- When the teacher updates the "i" assignment to a valid grade, then clicks "Save", the average is updated. This will result in an accurate calculation of the final average.

### 4. \_\_\_ **Projected Final Averages**

If at this time of the year, the school would like a report of projected final averages of students, either of the reports below can deliver this information.

- **By the Teacher:**
  - In Gradebook, open a section for current grading period.
  - Click **Reports / Grades / Term Grades Report / All Students Projected Final**.
  - A grade sheet with projected final grades will appear.

- **By the Office Staff Member**
  - Go to **Grades / Lists / Possible Failures**
  - Set as shown below:
