District DEWS: Running School Counts from JCampus

1. Getting There: Go to SBLC / DEWS / District DEWS or click the "Magnifying Glass" (Search) icon in the upper right, then search for "District DEWS".
2. Setup:
   a. As of Date: Normally run for current date which will show information for last time calculated.
      i. Changing date to prior run dates will give counts as of that moment in time.
   b. Click OK to obtain results.
3. On screen, counts and percentages will be displayed per category.
   a. Counts by area, but also combination counts will appear with percentages.
   b. Click on a count of students to see the student names.
   c. Each student has a floating "gear" to investigate the student further.
